Medina Construction Co. | Salina, KS

Owner/President May 2005 – March 2012

Completed many projects as a general contractor in the commercial, medical and residential markets. Very well known in the Salina community for doing high quality work. Received many local and national awards for residential remodeling.

E.A. Pederson | Omaha, NE

Vice President of Construction July 1999 – May 2005

E. A. Pedersen's primary market was small municipal utilities. For these clients we completed various projects from small substation additions to complete electrical system upgrades. This included substation construction, distribution line work and the installation of diesel and dual fuel powered generation units.

Peter Kiewit Sons, Inc. | Omaha, NE

Office Engineer March 1999 – July 1999

Worked exclusively on the Level 3 Communications Project. This was a nationwide fiber optic network installation. My primary functions were change order calculations and route mapping. This was a joint project with Parsons Brinckerhoff.

Parsons Brinckerhoff | Omaha, NE

Scheduler November 1998 – March 1999

Midwest area scheduler on the Level 3 Communications Project. I developed and maintained the installation schedule for the fiber optic network from Nebraska to Texas using Primavera Project Planner (P3)

Davis Electrical Constructors, Inc. | Greenville, SC

Estimator September 1993 – September 1998

Completed detailed estimates for various heavy industrial projects such as steel mills, paper mills, power plants, bottling facilities and refineries. Was the lead estimator, assistant project manager, on site office manager and scheduler for a \$23M electrical installation for a pharmaceutical manufacturing facility.
