To Whom It May Concern,

I have had the privilege of working with Conductor Power (CP) for 8+ years. In this time CP has worked on 15+ projects for Montana-Dakota Utilities Co. (MDU). These projects have ranged in size from \$100K - \$5M.

MDU has worked with numerous contractors, but we continue to utilize CP on as many projects as possible. They continue to be one of MDU's top contractors of choice. The group is dedicated to quality, schedule, budget, and ease of construction. CP's staff care about the projects from the time they are awarded the project until long after they are gone. Quality is how I would describe CP.

The performance of work CP has produced on MDU's projects continues to be great. I look forward to each project CP is hired on.

Sincerely,

Daniel Albrecht, PE<sub>(ND)</sub>  
Supervisor, Engineering Services
